

Cheer Tryout Material 2022

Hello! Below you will find the links to the material that you'll need to know for cheer tryouts. We strongly suggest learning the material as soon as possible so that you already know it before the first clinic. That way, you can spend your clinic time working with your group + coaches and making any changes necessary. This will also ensure that you fully know the material by tryout day. We look forward to working with you!

Thanks! Coaches: Jackie, Jesie, Krystal, and Stacey
