

Team Mulch Sale

Let the football team take care of your mulching duties this spring. Cost for the team to spread mulch* is **\$25/yard**. This includes all handling, distribution around mulch beds, and end clean up. All edging and preparation of mulch beds is the responsibility of the resident.

Work to be done on Sunday, May 7.

Mulch will be delivered day of service or 1-2 days before. Note: To prevent any staining, we suggest placing a tarp or plastic down to protect the surface of the dump area. Please mark where you would like mulch dumped. Thank You, The Rocket Football Team

For those that wish to do the work themselves or have another date in mind, the football team will still receive a % of the sale. Just be sure to mention Rocket Football Fundraiser at:
