

TO: Parents of Anna Students

FROM: Technology and Cafeteria Department

SUBJECT: MYFREEDOMCAFE.COM

PARENTS--Even though you can check your child's lunch balance and what they ate via eFunds we are making available an even more convenient option called "My Freedom Café App" Simply download the App on your smartphone, click the register button, enter the unique district code (F1091) OR you can register via the website <http://www.myfreedomcafe.com/AnnaLocal>.

In the past if an Elementary student's lunch account was at a low balance we would send a pink or yellow note home. We are going to discontinue this practice and alert you via email. It is important that the office has your most current email for this process to work. We will also send an email alert to parents of MS/HS students that have a low account balances as well. If you have and questions or need assistance please contact our Food Service Director, Angie Harvey at 937-394-2011 x 123 or email aharvey@annaschools.org

IMPORTANT: You will still need to activate e-Funds to make cash or check lunch deposits online.
